EXPERIENCE

Creative In Freelance

2023 - Now / Self Employed / Tel Aviv

- Marketing Design
- Branding
- UX/UI

Lead Brand Designer

2022 - 2023 / Vesttoo / Tel Aviv

- Crafted Vesttoo's brand identity and design system, ensuring brand consistency and significantly increasing brand recognition.
- Led a design team to create sub-branding for a \$1M event, with a positive ROI of 150%
- Restructured the UX/UI of the website, significantly increasing user engagement.
- Created wireframes, storyboards, and user flows to convey design ideas.
- Developed sales materials for executives, generating leads.
- Optimized digital campaigns on social media through A/B testing.
- Enhanced employer branding and internal communication, improving employee engagement.
- Designed presentation templates, streamlining master slide usage and saving time.

Founding Product Designer & Creative Project Manager

2021 - 2022 / Keetro Labs / Tel Aviv

- Led brainstorming sessions to develop and implement innovative features.
- Conducted user research, interviews, and surveys to understand user needs and behaviors, gathering both qualitative and quantitative feedback.
- Collected feedback from early adopters to guide UX/UI improvements.
- Applied design thinking for data-driven decisions and to validate design hypotheses.
- Delivered high-quality UX outcomes aligned with project goals and business objectives, integrating the latest design trends.
- Effectively communicate specifications and guidelines to developers, ensuring thorough quality assurance for a seamless implementation.
- Optimized lean product development for efficient MVP delivery.
- Managed remote vendors to meet deadlines for the early-stage startup.

MORE ABOUT ME

- Ability to manage multiple projects and deliver iteratively in a fast-paced environment.
- Responsible, reliable, and dedicated
- Strong communication and creative skills
- Empowered by a diverse background to tackle challenges with a multidisciplinary approach
- Experienced in collaborating with individuals from diverse cultural backgrounds worldwide

Creative Team Leader

2018 - 2021 / Eden Gallery / Tel Aviv

- Managed and prioritized the schedules of designers, photographers, and 3D artists to align and meet global project needs.
- Directed the team based on the needs and briefs of creative directors, gallery owners, marketing departments, and artists.
- Designed digital creatives and the e-shop for Eden Gallery, significantly boosting art sales during the pandemic.
- Produced social media content to increase lead generation.
- Developed event concepts, including logos, videos, invitations, and promotional items.
- Implemented an automated presentation generator, increasing sales conversion rates, and collaborated with developers throughout the development lifecycle.

Marketing & Product Designer (UX/UI)

2017 - 2018 / Perimeter 81 / Tel Aviv

- Experienced working with global cross-functional teams: Marketers, Product Managers, BI, and Engineers.
- Developed web and landing pages from wireframes to production, enhancing website traffic and SEO.
- Iterated designs based on user feedback, usability testing, and data analysis to improve user experience.
- Created user-friendly products, balancing deadlines, conversion rates, and feedback from product and data teams.
- Conducted user research, translating insights into actionable design improvements.
- Designed high-fidelity UIs to enhance usability and accessibility while maintaining brand consistency.
- Stayed current with UX/UI trends and best practices, advocating for their integration into the design process.

Head Of Design

2015 - 2017 / Closerstill Media / London

- Produced marketing materials and signage for exhibition shows in the health sector, resulting in an average 40% increase in event attendance.
- Managed brands and ensured consistency with all creative freelancers.

Art Director

2012-2014 / Fred & Farid / Paris

- Directed advertising campaigns from mood boards to production for famous brands and campaigns (1664, Orangina, Pulco, Quick).
- Created digital and marketing materials (social media, ads, print, event booths), managing a team of freelancers to deliver creatives from idea to production.
